OBJECTION

7. Maricopa County objects to the First Amended Joint Plan as it is unclear whether its claim will be treated as a miscellaneous secured claim (Class 2) or whether it will be treated as priority tax claim.

8. The First Amended Joint Plan fails to provide for interest on Maricopa County's secured claims. As noted above, Maricopa County must be paid 16% per annum on its priming tax lien. *See* 11 U.S.C. § 511 and A.R.S. § 42-18053.

9. Maricopa County requests that the following replace the treatment proposed by Debtors:

The pre-petition secured tax claim of Maricopa County that is currently due and owing will be paid in full on the Effective Date, together with accrued and accruing post-petition interest at the statutory rate of 16% per annum (the "Statutory Rate"). To the extent the tax claim is not paid in full on the Effective Date, Debtor shall make regular

installment payments in accordance with 11 U.S.C. § 1129(a)(9)(D), over a period no longer than five years commencing with the petition date with interest paid at the Statutory Rate until the claim is paid in full.

Based on the foregoing, Maricopa County respectfully requests that the Court deny confirmation of the First Amended Joint Plan of Circuit City Stores, Inc., *et al* and that it be amended to provide that Maricopa County's secured claim, currently due in the amount of \$32,455.72, be (1) paid in full with accrued and accruing interest on the Effective Date or (2) paid in installments over a period no longer than five years from the petition date along with post-petition accruing interest at the statutory rate of 16% per annum.
